With social distancing required, Impressionist Portraits will have 3 photographer stations that can take 120 student portraits each per hour for underclass photos and 16 each per hour for senior portraits.

Senior Portraits are by appointment with the student or parent emailing or calling Impressionist Portraits to schedule.

Underclass Pictures: In-Person scheduled through Social Studies classes. VLA by appointment during after school hours and on Saturday, will advertise google form sign-up link in Principal newsletter, website, and social media. Sign-up will be for hour time slots and if any of the hours fill up, we'll close that hour down for sign-ups, to help with social distancing and so not all virtual students come at once.

Final Retakes will also be by appointment through google form sign-up similar to VLA pictures.

Photographers will be set-up in lobby and hallways near the Lake Ridge PAC theater.

We will clearly label the door to enter and have another door clearly labeled for exit only, so traffic flows and does not get congested.

Masks will be required for everyone and will only be removed for the student to smile for the camera and then put the mask back on after photo is taken.

Students are encouraged to come alone; however, one parent may attend the photo session if desired. Siblings or other non-Mansfield ISD visitors will not be admitted.

All who enter must answer a health screening questionnaire before entering the building for photos, including their temperature check they completed before arrival. Anyone who answers yes to any screening questions may not enter. Any person in attendance who receives a positive COVID-19 test must report the results immediately to the Yearbook Adviser who will notify Mansfield ISD Health Services.

Students will not be allowed to congregate while in line, and they will be asked to leave immediately following their photo session.
