

2022 FIDELITY YEARBOOK

2022 FIDELITY YEARBOOK

IT IS OUR POLICY

The Fidelity yearbook is a STUDENT planned and produced publication. The yearbook staff reserves the right as the final authority for the content published in the book.

All buyers must present a photo ID when picking up a yearbook. It is the responsibility of the buyer to provide proof of purchase if the yearbook staff has no record of the sale.

Your book should have 336 consecutive pages. Check your yearbook on the day you get your book for printer errors or shipping damage. Exchanges can be made for books with major printing flaws such as missing or damaged pages, and we can only replace books the day of distribution. If you find a flaw after you have written in the book, we cannot replace it. Returned books become sole property of the yearbook staff and can be resold.

If you didn't get your name stamped on the cover, write it somewhere inside your book. We can replace a lost or stolen book, but it will cost you \$100, and only if we still have books available.

If you notice a typo or error in the book, we can promise you we have too, and we are not happy about it either. Please don't make us realize our mistakes once again. We don't point out your mistakes on your homework. Just remember, we are only human and assure you we did try to do our best before our deadlines. If you see an issue you would like to discuss, please contact Mrs. Canon privately rather than posting about it on social media. Refunds will not be given for misspelled names or other editing errors. In addition, refunds cannot be given for ads, nor can ads be changed once proofs were approved by the buyer and the pages were sent to print last Fall.

School photos must be taken by Impressionist Portraits to be included in the yearbook. Each student's official grade classification the first day of school is used to determine portrait placement. A grade level change after the start of school may not be reflected in the portraits.

Thank you so much for your support of all of our students and the 2022 Fidelity Yearbook Staff!
